

**REGULATED RATE OPTION – 2003 INTERIM RRO
 DEFERRAL RIDER**

Eligibility

Effective: July 1, 2003

- Applicable to all Customers, at Points of Service throughout the territory served by the Company, who were enrolled on the Regulated Rate Tariff as of midnight on March 31, 2003.

Rider

- The Interim Regulated Rate Option Deferral Rider shall be dispensed according to the eligible Customer’s energy consumption during the period July 1, 2003 to December 31, 2003. Customers who have enrolled with a Retailer after April 1, 2003 will continue to receive this rider based on their energy consumption during the dispensation period.
